## **Terms and Conditions:**

### **Retailer Verification**

To protect hard working games retailers like yourselves - as well as ourselves - trade customers will be asked to verify that they represent legitimate retailer outlets before we can send details of our retailer rates and a password to Retailer Zone 2. In the UK and EU, this will take the form of company or tax registration numbers. From the rest of the world, we will need to see a company registration or a website, etc. All shipments will be made to your company address.

### **First Time Buyers**

For first orders by retail outlets we require payment before shipping. Credit will be extended to further orders by negotiation.

### **Payments**

UK payments can be made by cheque or electronic bank transfer. EU and World payments can be made by international bank transfer. Our bank details are available in Retailer Zone 2, and will be sent to you by e-mail.

### **Prices**

Whilst we will, of course, honor prices in a bespoke quote, owing largely to fluctuations in shipping costs, all other published trade rates are subject to change. Our latest prices are available in Retailer Zone 2; or you can contact us for a fixed quote.
